

# ECD Slide Out Models

## Slide Out Models

ECD Slide Out Cash Drawers are available in nine different models, that vary in size, colours and insert configurations.

ECD345

ECD330-X

ECD330

ECD405

ECD410

### Steel Construction

Featuring steel construction with either smooth ball-bearing roller wheels or runners, ensuring 500,000 plus transactions.

### Insert Configurations

The slide out Soma™ cash drawers accommodate various configurations, from 4/5/6 or 8 bank notes and 8 coins, to support the vast majority of worldwide currencies.

### Additional Storage

Model dependent, the Soma™ slide out cash drawers offer up to two media slots on the front of the drawer to enable the storing of large banknote denominations, receipts, vouchers or cheques securely under the insert.
