DISINFECT CONFIDENTLY

CodeShield® Plastics offer superior protection against harsh chemicals at 3 distinct levels. These levels provide the ability to quickly select the Code reader that best suits your use case, environmental requirements, and desired level of infectious disease control.

Ready to Keep Your Customers and Team Safe

Ranging from 3 disinfectants to 20, each level expands the list—offering the broadest range of approved chemicals in the barcode scanning industry.

CODE SHIELD® Level 1

- Clorox® Non-Bleach Disinfecting Wipes
